

PARTNERS IN HEALTH

GUJARAT, RAJASTHAN, MADHYA PRADESH & CHHATTISGARH

“We are Neuberg Supratech”, a leader in advanced diagnostics and preventive healthcare.

Through our Global quality standards, access to state-of-the-art facilities, infrastructure and accreditation and highly experienced staff. Neuberg Supratech has gained renowned prominence as India's fourth-largest lab chain. Our combined expertise of over 250 years, services spanning across 4 Countries (India, UAE, South Africa and USA), over 120 labs, 200+ pathologists, 6000 types of tests and a processing power of more than 30 million tests per year. We strive to bring the benefits of a new generation of advanced pathology techniques as well as many other healthcare services that empower you to gain access to quality and timely treatment.

YOUR PARTNERS IN HEALTH

we appreciate the trust you've set in our services and we are committed to ensure that our service to you does not falter. Our HODs and Doctors are just a call or an email away to help you interpret your patient's test report.
